Winkworth

FARM

Weddings in a secluded location

An 18th Century, Cotswold Stone Threshing Barn with a capacity of up to 200 seated guests on one level.

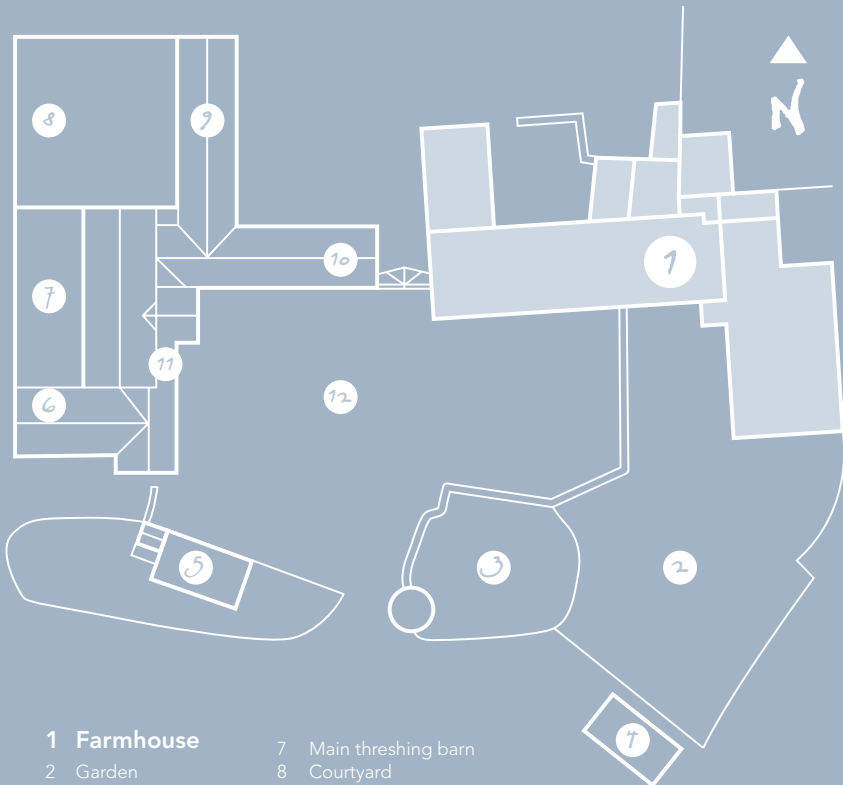

Renovated in 2010 by a local architect, builders and craftsmen, involving ancient methods and the very latest eco friendly technology, Winkworth Farm has been sympathetically restored with a high-end finish throughout, including furniture and fittings.

The well-established herbaceous borders, pampered lawns and acres of organic meadowland, provide the ideal location for your dream wedding.

The enchanting sunken garden with a Cotswold Stone Roundhouse is licensed for civil ceremonies, and is the ultimate setting to get married on an English summer's day.

Winkworth Farm offers exclusive use, with a choice of excellent caterers who use local, fair-trade and organic produce where possible. The Farmhouse also offers private use and can be booked for the night of the wedding, suitable for immediate family and friends.
