Small but perfectly formed, we are privileged to work with more Winkworth couples than anyone else. We know the venue, the spaces, what works and where. Our suppliers are all close by and we have an equipment store onsite. We work seamlessly alongside Melanie, Jeremy, Tom and the Winkworth team and, (although we would say it), produce fantastic food! Really its not what we think that matters, so here are just some of the lovely comments from our Winkworth couples.

Sue & Andy,

We want to say a BIG BIG thank you for all of your help on our wedding day.

The food was fantastic and the portions huge! It was the first real food Sophie had eaten in days 😊.

We had so many compliments and breakfast the next day was perfect (as was pizza at 2am in our tents). We also wanted to say a special thanks for helping the day run so smoothly – we couldn't have done it without you!

Also a big thank you for improvising for the best men's surprise projector speech 😊

We just wish we could do it all over again!

To Sue and Andy

Thank you so much for our beautiful food at Winkworth farm on 23rd June. The day went so perfectly and it meant so much to Curtis and I that we could have a personal menu on our wedding day. Your ethos behind your catering meant that our wedding day was completely bespoke and as two big foodies we would have never lived it down!

Our guests, as well as us absolutely loved the food, we couldn't get enough of the quality and flavours and the pudding followed by pizza went down a storm.

Thank you also for helping our best man with the organisation of the day. Thank you for allowing us to have absolutely anything- we thank you enough for your help making our day so special and truly perfect!

Love

Sue, Andy and your amazing team

It is truly difficult to convey into words our heartfelt thanks to you for everything you did to make Jordanne and Edwards wedding day so special and one that will remain in our hearts.

Not only was the experience such a joy but the food was exquisite and the front of house superb but it was your concern and care for me (Suzanne) that went above and beyond all expectations and you will never know how much that means. Please pass on our special thanks to your neighbour for the loan of the dresses.

A very very big thank you.

Dear Sue & Andy

Almost a week after our wedding Abi and I are stilling coming down from the high of the day, and we have you both to thank in so many ways for making the day so wonderful!

The afternoon tea was delicious and the pizza's where a complete hit with everyone, you managed the reception effortlessly allowing us to relax and enjoy the day knowing full well everything was under control. You also did a fantastic job of dressing the venue, it looked so welcoming when we arrived.

We enjoyed ourselves so much, we just wish we could be doing it all again this weekend!

Thank you

Hi Sue,

A week on things are finally getting back to normal, so I just wanted to drop you a quick note to say thanks once again for last Saturday! We thought everything was perfect and exactly what we wanted - we are still getting compliments about the food (my vegan friend still stands by her statement that it was the best dessert she'd ever had!) You and your team were so helpful during the day (and of course during the planning process), and we would not hesitate to recommend you.

As promised, I've just left you a Google review - if there is anywhere else you collect reviews etc let me know, and I'll be happy to contribute.

Thanks again,

Kat
