FARM

The venue

Winkworth Farm is a family owned and operated environmentally responsible wedding venue, set at the edge of the Cotswolds near the historic market town of Malmesbury.

The venue offers exclusive use for every wedding, so you can enjoy a private celebration with your guests. The beautifully renovated 17th-century Cotswold stone barn is nestled within the tranquil setting of 220 acres of organic pasture. The well-kept lawns, herbaceous borders and sunken garden sit within the beautiful organic meadows, providing stunning scenery and magical backdrops for your all important wedding photographs.

Your unique day

We (Jeremy, Melanie & Tom Newman) are with you from your initial enquiry all the way through until departure after the Big Day.

We pride ourselves on our flexibility for each and every booking and understand that no two weddings are the same, and why should they be! We encourage couples to have the unique day they would like and we do our utmost to accommodate your wishes in a friendly and professional manner.

Whether you are looking for a midweek wedding in the Winter, or whole weekend hire in the Summer, we aim to curate your perfect day just the way you would like it.
